

**ST. BENEDICT AT AUBURNDALE**  
**SUMMER ENRICHMENT**  
**July 6-24, 2009**

St. Benedict will offer summer enrichment in English and math for incoming 9<sup>th</sup> grade students for the 2009-2010 school year. These classes assist students in building a stronger foundation in these two academic areas. St. Benedict faculty members will work intently on assisting students in areas that challenge them.

**English:** Summer enrichment English will cover basic skills in grammar, composition and literary techniques in preparation for Freshman English class.

**Math:** Summer enrichment math will cover remedial fractions, decimals, integers, and equations in preparation for pre-algebra math.

Class dates: **Monday through Thursday: July 6-24; no class on Fridays.**

Class times: Session One: 8:30 – 10:15  
Session Two: 10:30-12:15  
*A fifteen minute break between sessions*

Contact: Dr. Wanda Winnette, 260-2863; winnettw@sbaeagles.org
